IconExperience

G - Collection 2.0

Introduction

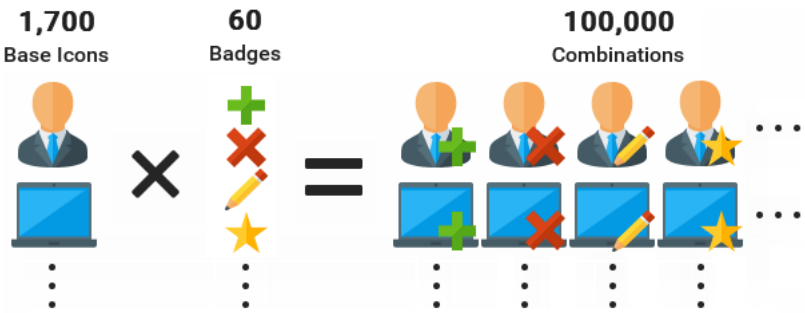
The IconExperience G-Collection is our next generation set of icons with a colorful, friendly and professional look. All icons come in three different styles. The Standard style blends seamlessly into Google's material design language. The Blue style is a perfect match for Microsoft's Azur cloud environment, and the Gradient style goes nicely with the Windows 10 desktop.
This makes them a great choice for a variety of use cases, from web design to user interface development and print applications.

1,700 Base Icons for each Style

The G-Collection includes more than 1,700 base icons for each of the three styles. Base icons display a single object or metaphor, such as a person, an envelope or a shopping bag.

100,000 Possible Combinations

The G-Collection comes with our “Toolbox“ software, which can be used to easily create more than 100,000 custom combined icons based on the more than 1,700 base icons for each style.



Eight Sizes

There are eight sizes available for each icon: 16x16, 24x24, 32x32, 48x48, 64x64, 128x128, 256x256 and 512x512 pixels.

Bitmap and Vector Files

The icons are delivered as bitmap files (PNG and ICO format) and vector files (SVG format).

Contents

1 Basic Application Icons 7
1.1 Toolbar 7
1.1.1 Navigation 7
1.1.2 Edit 7
1.1.3 Find and Replace 7
